- Online Parent-Teacher Meeting (ePTM) is an integral component of our Live Online Classroom Programs.
- Students joining Live Online Classroom Programs will be taught by faculty members of our Delhi Centres.
- Separate batches for "Pure English" and "Hindi+English" medium of teaching will be created.

## Program Focus & Objective :

In this program, students are nurtured under the guidance of the Country's best faculty who understand crucial academic inputs that students need at this stage of their preparation. Special emphasis is laid on helping students imbibe the fundamental concepts of PCM by sharpening their analytical skills, evolving thinking process, and plugging the loopholes, while building sound exam temperament. This program also provides students with FIITJEE's highly researched study material, tests, quizzes, iconic All India Test Series with concept strengthening & test analysis sessions.

All this empowers students to creatively solve complex & tricky problems by mere application of basic concepts for a quantum jump in their performance in JEE Main & JEE Advanced. Each student develops the right strategy along with Time Management techniques to ensure optimum output. This enables them to excel not only in JEE Main but also in JEE Advanced & other Engineering Entrance Exams.

## Duration :

**Classroom contact hours of approx. 296 hrs.** However, the actual total input provided to the student is more than **340 hours** which includes.

- Doubt clearing classes
- Rank Improvement Program (RIP)
- Phase Tests and Tests of All India Test Series
- Test Analysis Sessions etc.

**Normally classes are held 4 / 5 days a week for 4 hrs to 6 hrs each day. Classes can be held in the morning or evening session.**

Note : The schedule of classes may vary from one study centre to another. Kindly contact your nearest FIITJEE centre for more details.

## Course Structure :

❖ Entire course is divided into 3 phases. ❖ Extensive coverage of additional topics for JEE Main. ❖ Fully LIVE two-way interactive ONLINE classes + Online doubt clearing + Online tests (Physics, Chemistry & Mathematics). ❖ FIITJEE Printed Study Material available on demand at an additional nominal cost. ❖ Online Doubt removal Sessions ❖ Each phase has exhaustive quizzes and Phase Tests (both on JEE Main & JEE Advanced pattern). ❖ Right

mix of classes and problem solving. ❖ Good comprehensive pattern proof & thoroughly revised study material. ❖ Periodic tests on the JEE pattern. Regular feedbacks & test analysis sessions. ❖ Home assignments / Workbook. ❖ Chapter Practice Problems (CPP) : On each chapter, students will be given CPP which they have to attempt and submit before the beginning of the next chapter. These solutions will be checked by the faculty and will be returned to the students with remarks and suggestions. Thus helping every student have a strong command over conceptual knowledge, crucial for getting Top ranks. ❖ Classroom Learning Improvement Program (CLIP) : Icing on the cake of every class is done through Classroom Learning Improvement Program (CLIP) for those who have completed all assignments to further help them get a higher Rank in JEE Main, JEE Advanced etc. ❖ Crash Revision Program of 30 to 48 hrs. ❖ JEE Archive: Question Bank with Answers of previous year JEE Main & Advanced papers. ❖ Grand Masters Package (GMP): An exclusive fundamentals search based package of 1800 Top quality problems on JEE pattern testing your understanding of the subject.
